Dear Samuel,

Thank you for making our Wedding Reception such a huge success. Everything you did was great and very professional. We couldn't have asked for a better MC/DJ. Everyone we talked to had a great time. Thanks again and have a great new year.

Sam,

Thank you for your utmost professionalism in the performance of your services. Your commitment to customer satisfaction was evident by your sensitivity displayed to the requests of our guests. Because of the diversity of the guests, many of the requests were just as diverse. However, you were able to accommodate many of the requests because of your huge selection of various types of music in your arsenal. You made it your job to excite the guests to dance and to participate in the overall festivities of the party.

Sincerely,

Mr. and Mrs. Jimmy R. Ramos (Birthday Party 11/21/06)
